

## **Magneto Exchange Agreement**

This Magneto Exchange Agreement outlines the terms and conditions for the exchange of magnetos between CrossFire Magneto Service and the customer. By participating in this exchange program, the Customer agrees to the following terms:

### **1. Exchange Process**

- The Customer must return a complete, rebuildable core magneto of the same type and model as the one received from the Company.
- The core must be returned within 60 days of receiving the exchanged magneto.
- The returned core will be inspected by the Company to determine its condition. The core must not have significant damage, excessive corrosion, or missing parts that render it non-rebuildable.

### **2. Core Return Condition**

- Cores must be complete and include all major components such as the housing, coils, points, gears, and distributor block.
- The core must be free from catastrophic damage, including but not limited to cracked housings, stripped gears, or severe corrosion.
- Cores that are deemed non-rebuildable by the Company will not be eligible for full credit and may incur additional fees.

### **3. Exchange Fee**

- A core deposit will be charged at the time of purchase. The deposit will be refunded in full upon receipt and inspection of a rebuildable core.
- If the core is not returned within 60 days, or is found to be non-rebuildable, the core deposit will be forfeited, and the Customer will be charged an additional fee to cover the cost of the replacement magneto.

#### **4. Shipping**

- The Customer is responsible for shipping costs when returning the core.
- The Customer must use a reliable shipping service with tracking to ensure the core is returned within the designated time frame.
- The Company is not responsible for lost or damaged cores during return shipping.

#### **5. Warranty**

- The exchanged magneto will come with a warranty of 1 year or 500hrs. This warranty covers defects in materials and workmanship but does not cover misuse, improper installation, or damage caused by external factors.
